3M™ Avagard™ Family Wall Brackets

Strong Support

For Improving Hand Hygiene Compliance

3M™ Avagard™ D Instant Hand Antiseptic with Moisturizers Wall Bracket–9226

Are you looking for another way to support hand hygiene compliance? Here are three reasons this wall bracket can help:

- Promotes patient safety by putting an effective hand hygiene product right where your staff needs it.
- Helps create awareness of hand hygiene, a key critical factor influencing adherence to protocol.*
- Color may increase awareness for hand hygiene compliance.
