You've Earned the Right To Wear the Best

Count on the quality auscultation experience that comes with Littmann® Stethoscopes

A trusted leader in innovative auscultation technology, Littmann stethoscopes are renowned worldwide for unsurpassed quality. For military clinicians, the Littmann brand name is an assurance of precision, acoustical performance and innovative design.

3M offers a wide variety of stethoscopes to meet your auscultation needs, including many tubing colors and unique, special edition chestpiece finishes.

And, to help you hone your auscultation skills, we offer a variety of educational programs, described in more detail on the back of this sheet.

You've earned the right to wear the best.

Cardiology III™ stethoscope, in Black (left), Master Cardiology stethoscope, in Smoke (right).

3M™ Littmann®
Stethoscopes

3M Healthcare is a sponsor of the DAV Winter Sports Clinic, the PVA Summer Games and a Proud Recipient of the Freedom Award.

An instrument with benefits that go beyond what you hear.

- When you purchase a Littmann® Stethoscope, you receive more than a piece of hardware. You get the peace of mind that comes from knowing you're working with a quality auscultation instrument.
- You also get access to a variety of online educational programs as part of the Littmann® Learning Institute. This includes modules available to all clinicians that enable you to listen to heart and lung sounds, as well as insights on proper auscultation techniques and the care and use of your Littmann Stethoscope.
- In addition, premium content is offered to registered Littmann customers. It includes a reference library of sounds, 14-lesson courses on heart and lung sounds, and an advanced cardiac examination virtual trainer module.
- Visit **www.Littmann.com/education** regularly to see the latest tools and subjects added to our curriculum.

Try the Littmann® Model 3200 FREE for 14 days!

- Proprietary ambient noise reduction technology eliminates, on average, 85% of distracting background noises, without filtering out critical body sounds
- Provides 24X the sound level of a Littmann cardiology stethoscope when you need it
- Record and save up to twelve 30-second sounds on your stethoscope

Call 1-800-228-3957 for a free 14-day trial (U.S. only). For a limited time only.
