3M™ VFlex™ Particulate Respirators

Protection and value

Introducing 3M™ VFlex™ Particulate Respirators 1802 and 1802S with a unique, flexible fit.

VFlex respirators offer effective protection at incredible value - with no compromise on quality.

The unique design expands and moves with the face, making breathing and talking more comfortable.

Positioning tabs, adjustable nose clip and a choice of two sizes help to achieve a custom fit for all wearers.

VFlex respirators offer reliable and affordable protection supported by training and education you would expect from 3M.

EN 14683:2005 Type II
EN149:2001+A1:2009 FFP2 NR D

Protection and Value

Potential Applications

Where and whenever healthcare workers and/or visitors are exposed to respiratory hazards in a hospital.
