Proud Providers

Thanks for holding; we'll be back on the line as soon as we can. In the meantime, we want to tell you about an exciting treatment option from (Dr. or office). We're proud providers of *The 3M Braces Advantage*. This can mean faster treatment and fewer visits for you. Ask if 3M Braces are right for you. Both metal and natural-look ceramic options are available. It's the kind of advanced orthodontic treatment your family deserves.

We Know What You Want

(Dr. or office) knows what you want: You'd like to get in and out of the chair faster. Return less often. And maybe even get your braces off sooner. Well, you just might be able to get everything you want with *The 3M Braces Advantage*. Schedule a consultation to learn more. We can tell you about our flexible payment options, weekend hours and our friendly, helpful treatment team. It's the faster, hassle-free orthodontic care you and your family deserve.

A Reason to Wait

Thank you for holding; we'll be back as quickly as possible. Did you know (Dr. or office) offers you the breakthrough technology of self-ligating braces from 3M, a brand that people trust around the world? This advanced technology helps to make treatment faster, easier, more comfortable and more convenient. You may be able to get your braces off sooner and start enjoying your straight, healthy smile! Ask if 3M Braces are right for you!

More Reasons to Smile

Ever since (Dr. or office name) introduced patients to *The 3M Braces Advantage*, our patients have even more reasons to smile. 3M Self-Ligating Braces are ligature free and this can help make treatment faster, easier, and gentler. So you may need fewer visits. And those visits just might be shorter and easier. Sound good so far? Ask if 3M Self-Ligating Braces are right for you. We'd love to give you new reasons to smile!
