

## Key Speaker Profile

### **Dr. Anoop Sondhi**

Dr. Anoop Sondhi is founder and managing partner in Sondhi-Biggs Orthodontics, a highly successful orthodontic practice in Indianapolis with a strong and consistent referral base. He has devoted more than 20 years to the development of effective and efficient orthodontic treatment systems, and has a national reputation as a leading clinician in the orthodontic management of patients with temporomandibular disorders. Dr. Sondhi's practice specializes in interceptive treatment of complex malocclusions, the orthodontic management of temporomandibular disorders, and indirect bonding.

An internationally acclaimed speaker and lecturer, Dr. Sondhi has presented seminars and continuing education courses to dental organizations throughout the U.S., and has been invited to give courses in Canada, South America, Europe, Asia, Australia and New Zealand. He lectures on a variety of topics, including hyper-efficient treatment with variable prescription treatment, orthodontic biomechanics, interceptive treatment during the mixed dentition, and the management of temporomandibular disorders. He also lectures on the business side of dentistry, covering the important topics of practice management and practice building. An acknowledged expert in the use of the 3M Unitek SmartClip™ Self-Ligating Appliance System, Dr. Sondhi also addresses groups of practicing clinicians on “High Performance Orthodontics with SmartClip™ and Variable Prescription Orthodontics.”

In addition to his clinical practice and speaking, Dr. Sondhi remains very active in the academic community. He taught as a professor in the Department of Orthodontics at Indiana University, and continues as a visiting professor at several Post-Doctoral Orthodontic Programs around the country. He also teaches advanced courses on treatment techniques at

national and international orthodontic conferences, and has authored chapters in several orthodontic textbooks and journals.

Dr. Sondhi received his D.D.S. degree from the Indiana University School of Dentistry, and his post-graduate certificate and Master's Degree in Orthodontics and Dentofacial Orthopedics from the University of Illinois. He has served as a consultant to the *American Journal of Orthodontics and Dentofacial Orthopedics*, as well as the *Journal of Craniomandibular Disorders, Facial and Oral Pain*. He is a member of the American Dental Association and the American Association of Orthodontists, and has served these organizations at the state, regional, and national levels.
