Visibility and Value

- ▶ Ideal for reinstatement - patching and repair applications
- ▶ Superior colour and visibility, day and night, wet and dry
- ▶ Quick and easy application
- ▶ Clean and safe to apply

3M

Easy to See Advantages

Drivers depend on the visual guidance road markings provide, particularly on roads without ambient light, like motorways outside urban areas or dark rural roads. For applications such as these road agencies and utility contractors need performance, ease of application and an affordable solution. Through a combination of innovations in high index optics, adhesive technology and polyurethane chemistry 3M™ Stamark™ Permanent Road Marking Tape A310AWS D offers visibility and value.

Available in white and yellow to conform to standard road colours Stamark Permanent Road Marking Tape A310AWS D has distinctive colour properties, along with superior initial and good retained reflective performance, providing excellent value.

Increase and Extend Productivity

Stamark Permanent Road Marking Tape A310AWS D can be applied without primer during road construction, or with primer (in temperatures of 10°C and rising). 3M offers a special primer Stamark Surface Preparation Adhesive P-50.

The construction of A310AWS D combines 3M's technological expertise in beads, topcoats and adhesives resulting in a cost-effective road marking solution with good durability, retro reflectivity and appearance.

Features	Benefits
Wet weather visibility	Stamark retro reflects even when wet ensuring excellent visibility in poor weather conditions
Easy application	Can be easily cut to size and either applied using Stamark™ Surface Preparation Adhesive P-50 or in hot-inlay depending on the application
High level of skid resistance	A structured profile provides a high level of skid resistance
Approved for use on UK and Irish roads	Road trialled to BS EN 1824 and performance assessed to BS EN 1436
3M proven quality performance	From technical advancements to customer service and support 3M stands by every product we sell
Available in white and yellow
