# A New Generation of Beauty

Nothing expresses beauty and confidence like the perfect smile.

Introducing Clarity™ ADVANCED Ceramic Braces by 3M Unitek, an advanced system designed specifically to help you unlock the secret to achieving a beautiful smile.

Through the balance of innovation and design, Clarity ADVANCED braces deliver the aesthetics you expect, with the benefits your orthodontist trusts.

# More Reasons to Smile... even wearing Braces

Imagine, no more hiding behind closed-lip smiles.

Clarity ADVANCED ceramic braces can give you the confidence you need to flash an amazing smile, both during treatment and after.

The translucent ceramic material blends with the colour of your teeth and will resist staining or discolouration throughout your treatment.\*

With its small, low-profile design\*, Clarity ADVANCED braces are virtually unnoticeable, making them perfect for patients of any age who are looking for the confidence and the freedom to smile on any occasion.

## Advanced Ceramic Braces

The unique features of Clarity ADVANCED braces give you and your orthodontist the opportunity to create a smile that can last a lifetime by offering:

- Translucent material that blends with your teeth, providing virtually unnoticeable treatment and allowing you to smile confidently
- A small design featuring rounded corners to reduce irritation and rubbing\*
- A unique system that is easily applied and removed by your orthodontist, allowing you to focus on the new you, not the process

And don't forget:

You don't need to be referred to an orthodontist by your dentist for a consultation, you can self-refer.

# Comfort Innovation Beauty

Clarity™ ADVANCED Ceramic Braces are an excellent choice to achieve your perfect smile.

Together with your orthodontist, Clarity ADVANCED braces work to deliver the smile you have always dreamed of.

Go ahead, flash that amazing smile with Clarity ADVANCED ceramic braces.
