3M and the 3M's Foundation Donate \$1 million to the Smithsonian Institution's National Museum of Natural History Sant Ocean Hall

3M and the 3M Foundation have donated more than \$1 million in cash and products to the Smithsonian Institution for its Sant Ocean Hall. Products donated include:

- Digital signage products and touch screens to help direct visitors
- Novec Engineered Fluid – nonflammable, sustainable technology for the preservation and display of large marine specimens, including the world's largest squid

3M has been a proud sponsor of the Smithsonian Institution with contributions that include: \$1.1 million in cash and products to the American Indian Museum, annual membership, and touch screens to the Museum of African Art.

3M Community Giving consists of product donations and cash grants by 3M and the 3M Foundation and bolstered by employee and retiree volunteerism. In 2007, 3M donated more than \$42 million in cash and products to U.S. educational and charitable organizations.
