

Free 3M™ Scotchlok™ Tool Promotion

We've expanded our promotion to include all 3M™ Scotchlok™ Connectors with a new minimum order of 1000 Connectors.

Reliable termination of the copper wiring at the VoIP NID at the residence just got easier and more reliable. 3M is offering every cable TV technician who orders a minimum of 1,000 3M™ Scotchlok™ Connectors a free 3M™ Scotchlok™ Hand Crimping Tool E-9Y.

Why do leading MSOs prefer 3M Scotchlok Connectors?

- Specially designed insulation displacement contact provides reliable connection
- Electromagnetic interference is prevented between phone and CATV signals
- 3M Scotchlok connectors are tested to CAT. 5 compliance
- Factory-installed sealant protects against corrosion and seals out moisture
- Reduced waste and improved productivity over inferior lower quality connectors and tools

Why use a 3M Scotchlok E-9Y tool over channel type pliers?

- 3M Scotchlok crimping tools provides complete crimping at desired height and locks in place
- 3M Scotchlok crimping tools allow the cap to engage the connector jacket in a parallel movement—"no tipped caps"

See back page for details on how to receive your free tool!

Here is how you can receive your free tool, hassle-free:

- Order a minimum of 1,000 3M™ Scotchlok™ Connectors from your authorized 3M distributor. All 3M Scotchlok Connectors and packaging options are eligible for this promotion. Minimum order can be reached by purchasing various Scotchlok model numbers (i.e. 500 UY connectors and 500 UR connectors)
- When you place your qualified order, you are entitled to a free 3M™ Scotchlok™ Crimping Tool E-9Y, while supplies last. Each tool has a value of more than \$25.
- Log on to www.3M.com/CATVPromo and provide the requested information.
- Scan or fax a copy of your order verifying your purchase and reference FREE TOOL PROMO on your fax. Fax to 512-984-3005. Be sure your name is clearly marked on the order.
- 3M will endeavor to ship the tool to you within 72 hours.

This promotion runs from October 1, 2008 through January 31, 2009, or while supplies last, and is limited to these connectors and only the E-9Y tool. 3M employees and distributors do not qualify to receive the free tool. Promotion applies to telecommunications Scotchlok connectors only.
