The expedite delivery terms listed are not available on orders requesting special markings, labels or packaging as delivery time may need to be extended to cover the time to perform these functions and incur additional cost.

123/129 Markings – Additional Cost: 3M will ship from inventory standard commercial packaging unless otherwise indicated on the order. If special markings or packaging (i.e. Federal Standard 123/Military Standard 129) are requested, 3M reserves the right to add an additional cost to the product to cover these additional expenses. 3M will make the assumption that unless an order is marked to include Federal Standard 123 or Military Standard 129 markings and packaging, the standard commercial packaging is all that is required. Please note that the delivery time may need to be extended to cover the time to perform these functions.

11c. Overnight and 2-day delivery: See item 11b. above.
